SUMMARY OF CONDITIONS OF ACCEPTANCE FOR ARTICLES

1. We publish articles on any aspect of microscopy, optics, microanalysis, imaging, image analysis and microspectroscopy. Tutorials and short technical notes are particularly welcome.
2. Articles can contain new, unpublished information, or previously published information with acknowledgements and permission from the copyright holder to republished materials. Articles with a commercial bias or written solely to advertise a product will not be published.
3. Articles are typically published six to twelve months after receipt.
4. We will either pay you for your published article or supply 200 free reprints. Fees are paid at the discretion of the Publisher and rates are subject to change without notice.
5. The Publisher's and Editor's decisions about article acceptance, editing, layout, publication dates and fee payment are final and no correspondence about these matters will be entered into.
